

Rosies Fines the laws

Once again we will be using the '**ROSIES FINES**' method of fleecing those club members who can't be bothered to avail themselves of their **ARFC Club tie** and the **nominated weekly items**. All **FINES** go into the tour kitty and therefore, theoretically, all club members can benefit from this (all they have to do is go on tour).

This year our aim is to improve club member's appearance and organization. For example shirt and tie (blazer) to be worn at meets. Meet on time at meeting place, with money to pay for subs. If we are playing away and you are driving, ensure you have fuel in your car. In addition, the **item listed** on the specified date. Failure to produce either will incur a **50p** fine for **each item**, you have been warned. A fine will also be incurred if a playing, coaching or committee member turns up to a game alcohol induced.

At League and Cup matches, shirt, tie and shoes are to be worn on arrival of meet time. For games on the Isle of Wight or where a coach/mini bus is used, blazers are to be worn. Not concurring with the above will result in a fine.
